

Directions to Cowslip Workshops...

Take the A388 from Callington.

Join the A30 as you reach Launceston and go west until you reach the next exit.

Leave the A30 and enter Launceston by 'Western Road'

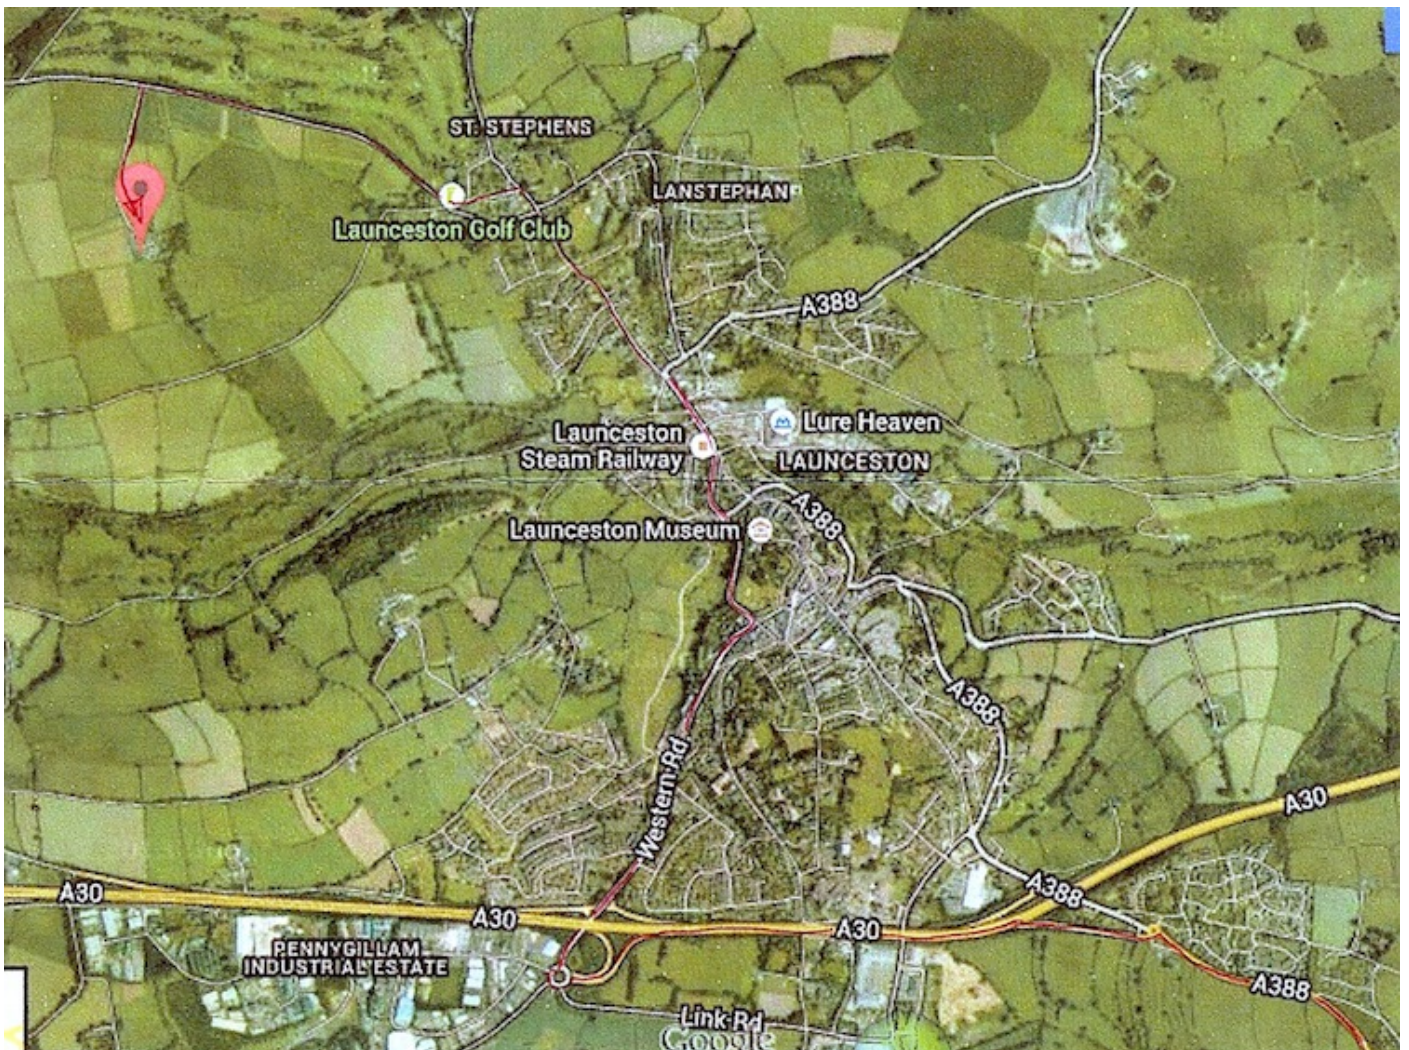

Stay on this road and swing left past the castle on your right hand side.

Follow the road downhill until you reach a small roundabout where you go straight across and up St. Stephens Hill.

DO NOT TURN RIGHT AT THE ROUNDABOUT.

Turn left directly opposite St. Stephens church. (signed Egloskerry)

Follow this road for about one mile and look for a farm gate on the left with a white sign for Cowslip Workshops.
